MEDITECH 6.15 Web Ambulatory EHR v6.15 Earns ONC Health IT Certification from Drummond Group

August 01, 2015 -- Canton, MA -- MEDITECH 6.15 Web Ambulatory EHR v6.15 has achieved Office of the National Coordinator for Health Information Technology (ONC) 2014 Edition Complete Certification from Drummond Group, an Authorized Certification Body (ACB) that has been empowered to test software for compliance with the requirements of the federal government's program. The stamp of approval designates that the software offers the functionality that enables eligible providers and hospitals to meet Stage 1 and Stage 2 Meaningful Use requirements, qualifying these organizations to receive payments under the ongoing EHR adoption program.

To earn the certification, the 6.15 Web Ambulatory EHR was tested to be in accordance with applicable standards and certification criteria put forth by the Department of Health and Human Services (HHS).

This Complete EHR is 2014 Edition compliant and has been certified by an ONC-ACB in accordance with the applicable certification criteria adopted by the Secretary of the U.S. Department of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services or guarantee the receipt of incentive payments.
