

## **MEDITECH Client/Server Electronic Health Record Version 5.66 Receives ONC-ACB Certification by Drummond Group**

May 02, 2013 -- Canton, MA -- MEDITECH Client/Server Electronic Health Record Version 5.66 has been tested and certified under the Drummond Group's Electronic Health Records Office of the National Coordinator Authorized Certification Body (ONC-ACB) program. This EHR software is compliant in accordance with the criteria adopted by the Secretary of the U.S. Department of Health and Human Services.

Drummond Group's ONC-ACB certification program certifies that EHRs meet the meaningful use criteria for either eligible provider or hospital technology. In turn, healthcare providers using the EHR systems of certified vendors are qualified to receive federal stimulus monies upon demonstrating meaningful use of the technology – a key component of the federal government's push to improve clinical care delivery through the adoption and effective use of EHRs by U.S. health care providers.

MEDITECH Client/Server Electronic Health Record Version 5.66, which met the requirements for EHR Certification, is Complete EHR certified.

*This Complete EHR is 2014 Edition compliant and has been certified by an ONC-ACB in accordance with the applicable certification criteria adopted by the Secretary of the U.S. Department of Health and Human Services. This certification does not represent an endorsement by the U.S. Department of Health and Human Services or guarantee the receipt of incentive payments.*

*MEDITECH, 05/02/13, MEDITECH Client/Server Electronic Health Record Version 5.66, Complete EHR is 2014 Edition compliant, Certificate No 05022013-1793-1.*

### **About MEDITECH**

MEDITECH has been the leader in the EHR industry since 1969. MEDITECH's applications unify clinical, administrative, and financial information across a health care organization, including acute care, long-term care, home health care, and physician practices. Today, more than 2,300 institutions worldwide use MEDITECH's information systems. For additional information on MEDITECH products and services, visit <http://home.meditech.com/en/d/home/>.

### **About Drummond Group Inc.**

Drummond Group Inc. is a global software test and certification lab that serves a wide range of vertical industries. In healthcare, Drummond Group tests and certifies Controlled Substance Ordering Systems (CSOS), Electronic Prescription of Controlled Substances (EPCS) software and processes, and Electronic Health Records (EHRs) – designating the trusted test lab as the only third-party certifier of all three initiatives designed to move the industry toward a digital future. Founded in 1999, and accredited for the Office of the National Coordinator HIT Certification Program as an Authorized Certification Body (ACB) and an Authorized Test Lab (ATL), Drummond Group continues to build upon its deep experience and expertise necessary to deliver reliable and cost-effective services.
