- PACS System (Test Criteria: 170.314.a.12 – Image Results)
- 3M Encoder license for Abstracting (Test Criteria: 170.314.b.2 – Create and Transport Summary Care Record for coded procedures)

MEDITECH agrees to notify Drummond Group of any and all future changes to our price transparency language for this certified product-version.

MEDITECH understands and agrees that the ONC HIT Certification Program Final Rule statement gives Drummond Group, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to disclose accurate price transparency information.

MEDITECH understands and agrees that we will provide to Drummond Group copies of or be given access to any and all websites, marketing materials, communication statements, and other assertions made by your organization regarding the ONC certification status of your product in a reasonable time to ensure the price transparency information is being accurately disclosed.

Sincerely,

Hoda Sayed-Friel
Executive Vice President
MEDITECH
